We're huge Facebook and Twitter geeks. We're all over those social network sites and constantly texting. We like guys that are like us, because deep down inside they are tigers waiting to cum out. When we meet a geeky guy we think is fuckable, we'll shock him and kiss ourselves in front of him and then go down on him well before he can turn on his laptop! HOLLY, SARA, VICKI

The bride's maids are waiting for the bride. but she just called and is going to be a couple hours late. Well that's not going to keep these three from having their own lady-love honeymoon. It's not long before tall tales of their own marriages give way to cat-like growls and kitty moans as pussies are opened for hot tongues and fingers. It's too bad the bride's not here because she then would be the center of attention. Go girls!

Like Hollywood personified, Misty reigns over the City of Angels like the devil that she is. Insatiable, erotic and exotic, this vixxxen is on everyone's short list – to fuck. She not only gives a great scene and great head, but she drained more balls than have been hit out of Dodger Stadium since 1944. Today's scene is a solo one, so grab your bat and rub away.

**JAMIE
HUXLEY**

**AUSTIN
KINCAID**

Sultry siren

Jamie Huxley's a real -- dare I say it -- a real fox, and I would love to do her doggy-style -- woof! I love her perfect breasts and shaved pussy. A pussy I could lose myself in for hours. Like licking it and sticking my tongue in it as far as I could and then wiggle it around in there until I sipped up all her pussy juice. I love the taste of a woman. Getting her ready for my eight inch cock, I'd use my fingers just long enough to get her real excited by fingering her g-spot. Then, when the time was right, I'd shove my cock in so far that I'd cut off her air flow. Not really, I'd just put it in as far as I could and then beg her on my knees to fuck her ass.

— Joel, Georgia

Modern MILF

I know it's been a few months since I saw Austin Kincaid grace your pages. But in those months, I've been dreaming about her and how she handled that huge cock in the pics. Her boobs are perfect and she sure knows how to use them. I like a woman with a little experience and she's just the right type. Brunette, tight body, bedroom eyes and a mouth that will swallow a cock in one blow. I bet she's the type that will stay in the adult business in some capacity. I'd watch whatever movie she starred in or even directed, she's that good.

— Les, California

A woman for all seasons

I'm writing you guys because I just saw a layout with Dana Vespoli and she was spectacular. But I thought she exited the biz a few years ago? Up until your layout, I hadn't seen her in anything new, except the movies I have with her and the ones I don't have, I check out on the internet. Do you know if she'll be doing any more shoots or videos? Do you know if she is still living in Los Angeles. Whatever information you could share with me about this fabulous woman, I'd gladly take. BTW, my girlfriend likes her even more than I do!

Please write back.

—Andrew and Patti, Nevada

Dear Andrew,

As you are probably aware, but choose to ignore, we cannot and will not divulge any personal or pertinent information about any performer or anyone else associated with us. But we can tell you this: after a short hiatus from the business Dana has returned, this time as a director. While she says she is still performing here and there, her passion is now behind the camera. —Ed

Can't get enough Eva

Of all the girls I've seen cum and go in the adult business over the last ten years, I'm so glad Eva Angelina has stuck around. Beside having a great sexual appetite and understanding the role of adult performer, she seems to have adapted well to the changes as well as the turn-over in performers over the years. My only complaint, if there ever could be one about her, is the phase that she went through with the buzzed haircut. It still looks nice on her, but oh, those long lovely lengths of hair are really fine and such a turn on.

No matter, her fucking guys or girls is such a turn on. She has no ego and just goes in there and does her best. I especially like her in small orgy scenes of four to six people. To see her suck cock and get fucked by different dudes while she's eating pussy -- what more do you want from a beautiful woman, except for her to be in your warm bed.

—Bugsy, Vermont

DANA VESPOLI

EVA ANGELINA

Shaken and stirred

Man am I glad that there are still magazine's like yours still out there. All this internet porn stuff is for the birds, and all those youngsters that probably haven't open up a mag or even a book in their entire lives. So to see a creature like Jezebel Bond show up in your pages is a thrill. I like brunettes much more than blondes. I find them more exotic looking and much sexier. Ms. Bond is just that type. With a bit more of a tan, she could easily be a South Pacific princess just by adding a couple flowers to her long flowing hair.

When I picked up your mag and took it home, I wasted no time in pulling out my dick and stroking off to her photos. I think it was only a few minutes before I came and don't think I blinked once as I turned the pages. I cut out the pages with her on them and likes her in my 'A' folder of top notch girls that I like. There aren't that many compared to my 'B' and 'C' folders which are now pretty full, and without a single blonde. — *Brandon, Texas*

Amazing Asian fox

I'm writing to let you know how much I liked seeing Lily Thai getting screwed in your issue. What a spitfire of a sexual performer she is. I'll refrain from calling her slutty names, but if it works, then why not. The way she devoured cock and ate pussy is a sight for horny eyes. She seems like she's always running on a full tank because she never stops. Even when all she has to do is lay back and get fucked, she revs up her motor and takes as much as she gives.

I once had a girlfriend like that. Tanya, she even looked like Lily, right down to her beautiful perky breasts. She was an operating room nurse and was she ever hyper-active in the sack. She would start it all with a two hour blow job. My dick would be so sore afterwards that I could hardly perform. Then when she was finished sucking, she would lay back on the bed and spread her legs and start rubbing her pussy right in front of me. From pussy to mouth, she would suck it and lick it, and then demand that I do it, too. And I did. — *Steve, Ohio*

BRIANNA PEACH

I love sexxy.

Don't you? Don't you want your woman to dress up in her sexiest, or cutest lingerie for you. Don't you want to see her soon-to-be-naked body adorned with lace or satin or leather? You know she'll do it for you in a heartbeat. All you have to be is – interested. Then, tell her how amazing she looks. How sexy she is. How much you want her. Then she'll swoon and that will be your cue to rip off that sexy lingerie and ravish like you know she wants, and you want, too. There's often no better aphrodisiac than that!

CALL ME CRAZY, BUT I LOVE COCK

800-607-4437

MUST BE 18+ TO CALL

WorldMags.net

SASHA ROSE

has become a huge star on the continent, working the major hot spots like London, Barcelona, Prague, Budapest, and her favorite, Stockholm. Because of her blonde locks, she feels she blends better in Northern countries.

I see Sasha sitting on a loveseat with a donut and energy drink in her hands. I politely wait for her to finish her donut and walk over to introduce myself. In her best English, she greets me back and invites me to sit next to her. I oblige and pull my laptop out of my briefcase. She watches me with fascination and then turns slightly towards me, adjusting her butt and opening her legs slightly. Of course, I only notice as a neutral observer.

FOX: It's a pleasure to finally meet you, Sasha. I love the blonde color of your hair. Is it natural?

ROSE: It is now. I've been blonde for many years that I do not even remember other color. Well, I did go through phase a while ago and my hair was blue and pink and green, and painted my lips black. I am glad to be over that. But are you trying to find out – how you Americans say – 'do the curtains match the rug?' What a silly saying. You have many of them, don't you?

FOX: Well, yes and no... We can't ask that very often anymore because there is no rug down there.

ROSE: (laughing) Yes, you are correct. I also do not know of many women who have hair there. Many directors and performers prefer that way, so I keep

SASHA ROSE

mine shaved and smooth for sex. I think it gives younger look for the camera.

FOX: I noticed in almost all of your photos and videos that your nipples are always quite hard. Would you care to elaborate?

ROSE: Yes, but I do not know 'elaborate.' (Sasha turns to a girlfriend sitting nearby and mouths the strange word) Oh, that means to tell you more... I do not know that, but if you say so. I know my nipples are very sensitive and I like that. They get hard at touch and especially when another person licks or pinches them. But also it is photographer asking me to make hard for photo shoots.

FOX: So you're here in Los Angeles. Is this your first trip or have you been here before? And do you like it with all the people and traffic?

ROSE: I have been two times before. First time I was not making videos or photos but here with my boyfriend. We were here with group visiting museums and Pacific Ocean. The next time was to do photo shoots and I did three videos, all with my boyfriend. This time I will be here for two weeks and work every day – except Sunday. I like to make videos and meet new people. I also keep eye to director to learn what they do because I want to do it when I stop having sex for camera. But I do like sex business and I will be directing first movie in Spain in a few months.

FOX: That's wonderful. I'm sure you will be a great director one day. Until then, can you tell me what kind of sex you like, both at home and on set.

ROSE: Oh, I like all sex I like men and women and I like more than one at a time, too. I have not been shy sexually and that could be why I am in this business. For me, it come natural and I like to do it a lot. At home I do less than I should because I fuck on set all day. It is hard to keep boyfriend when I fuck all day, so now I live with two other girls. One is in the business, too and the other is her lover. Now I just have sex for camera.

SASHA ROSE

FOX: Tell me about having sex for the camera.

ROSE: I like the video, but the pretty girl is hard for me. The photographer always give direction... 'move this, hold that, more smile, no smile.' It seem like they always tell you what to do. In videos, I can move free and move with a partner. It is just more real than still photo. I like to have all kind of sex, but I am famous for anal. I think sometimes because I am small, my butt cannot take a big cock, but then I'm surprised to find that they all fit. And I know guys like to fuck my butt because it is tight and suck their cock in.

FOX: How much longer will you make movies?

ROSE: I do not know. For now it is fun and I travel the whole world. I do not know many business that you can do that for. And I meet all kinds of nice, and sometime not so nice, people. I like the nice ones. But, like I say, after sex job, I want to direct and tell others what to do. They will laugh at first hearing from such a small person, but they will learn!

Okay, so now you've seen

the first few pictures. Before you turn the page, close your eyes and imagine this beautiful piece of womanhood is coming to you to fuck her. Can you image?

Standing at the kitchen door, you ask what she's making for dinner. Looking up from the wok, she says lasagna. Then she drops the utensils in the wok and turns to you and begins to take off the maid outfit you made her wear. STOP! Don't take it all off. You admire those long luscious legs and full, firm boobs. She teases you with that amazing body until you can't take any more. She shows it all to you and you can't hold back. Fuck that mouth. Fuck that pussy. Turn her around and fuck that ass.
